Pricing Notes:

- All pricing is subject to modifications and amendments without notifications.
- Tax is not included in any of these prices.
- The Lease Price listed above is the price to pay for one month.
- All leases require a 6 month minimum commitment, paid monthly, and payments continue monthly through the life of the lease.

- SUS is included in all Plesk and SiteBuilder license fees for year 1.
- Support and Maintenance (SaM) is mandatory for all Parallels Virtuozzo Container purchases in year 1, corresponding to the number of CPU and Processor Type.
- Plesk inside Virtuozzo pricing is only valid when a minimum of 5 Plesk for Virtuozzo licenses is purchased per physical server.
- Parallels offers aggressive lease and purchase programs for partners. Please contact your sales representative for details.
- Virtuozzo Standard OS Templates are maintained by Parallels and fee based. EZ Templates retrieve the software packages directly from the vendor - the Templates are free of charge, but the vendor might charge for access to the software packages.
- For larger installations of SiteBuilder, multi-server publishing and clustered services contact Parallels sales team directly.
